Product Catalogue

We are Proud Custodians of Legacies Measured in Centuries

In 1795, a farmer and grain mill operator named Jacob Beam produced the first barrel of whiskey that would become Jim Beam®, the world's #1 selling bourbon. Suntory was founded in 1899 by Shinjiro Torii, who created the first whisky to suit Japanese palates.

With a vision of Growing for Good, our mission is to inspire human connections. We are driven by the entrepreneurial spirit that built Beam for more than two centuries and guides Beam Suntory as a world leader in premium spirits today. Inspired by our parent company Suntory's "Yatte Minahare!" spirit of dreaming big, our objective is to be the world's most admired, fastest-growing premium spirits company.

Maker's Mark

It starts with the water. Our founder, Bill Samuels, Sr., chose the site of our distillery because there was a spring-fed lake right on the grounds – a plentiful source of limestone-purified water.

Our bourbon? It's all about great taste. Maker's Mark® uses red winter wheat to create bourbon with a flavor that finishes in the front of the palate where the sweet taste buds are located.

After the bottles are filled, each is hand-dipped in our signature red wax. Every hand-dipped bottle creates a different drip. Every delicious drop of bourbon is the same.

KNOB CREEK

KY • US

There's no faking full bourbon flavor. It has to be earned. So that's what we do in Clermont: we earn it. We start by selecting the finest grains. And we finish by meticulously aging our whiskey in white oak barrels with maximum char, for an unmistakable richness and signature sweetness. It's the natural way. And there's just no cheating nature.

DRINK SMART®

BASIL HAYDEN'S®

AN UNUSUAL AND INTRIGUING BOURBON

Basil Hayden's® whiskeys are known for standing out in the crowd. The distinctive flavor of Basil Hayden's Bourbon was originally inspired by the legend of a family recipe said to date back to 1796 when Master Distiller Basil Hayden Sr. broke 'the rules' and went off-the-beaten-path mixing the spiciness of rye with the smoothness of corn to create a light-bodied, mixable and smooth bourbon.

LEGENT™

Two True Legends. One Truly Unique Bourbon.

Legent™ is a bourbon, but it's unlike anything you've ever tried because it's unlike anything that's ever been created. It's an unprecedented collaboration between two whiskey legends – Fred Noe, from the founding family of bourbon and Jim Beam's seventh-generation Master Distiller, and Shinji Fukuyo, from the founding house of Japanese whisky and Suntory's fifth-ever Chief Blender.

JIM BEAM® THE WORLD'S #1 BOURBON

Jim Beam® Bourbon was founded in 1795 and has been operated by one family for seven generations. We've always created bourbon our way, aging it twice as long as the law requires. Over 220 years of experience goes into every bottle. Now, Jim Beam® is the world's #1 selling bourbon and enjoyed by people across the globe.

HORNITOS®

Hailing from Tequila, Jalisco in Mexico, Hornitos Tequila (named after the "little ovens" used to roast agave) was introduced to the world in 1950 by our founder Don Francisco Javier Sauza in honor of Mexican Independence Day. For a smooth tasting tequila made from 100% blue agave, look no further than our Plata. This tequila has a clean, lively flavor with floral and herbal notes. Enjoyable from start to finish.

JIM BEAM® THE WORLD'S HIGHEST RATED BOURBON

Smooth. Elegant. Refined. That's what extra aging will do. And that's what it takes to make the world's premier bourbon. Jim Beam Black® has been formally recognized as the best bourbon in the world, taking home the Bourbon Trophy at IWSC 2016.

El Tesoro de Don Felipe® tequila honors Don Felipe Camarena, the man who established La Alteña Distillery in 1937, where El Tesoro™ continues to be distilled today. El Tesoro™ tequila is "the treasure" of Jalisco, created in celebration of Don Felipe's most precious asset: his agaves.

SIPSMITH[®] *London*

It all began in 2009, in a tiny workshop in Hammersmith, London. Three great friends – Sam, Fairfax, and Jared – set up London’s first traditional copper pot distillery in nearly 200 years. Their mission was simple: to bring London Dry Gin of truly uncompromising quality and character, back to the city where it first earned its name.
